

Lions Gate Model A Club Squamish Run Thursday 18 July 2019

Departure

Meet 9:30 then depart about 10:00

Meet at Ambleside Beach parking lot in West Vancouver

Directions

Travel west on Marine Drive in West Vancouver from Park Royal Shopping Centre Drive to 13th Street traffic light, the park playing fields will be on your left.

At 13th Street there is a Shell station on the right and new construction on left and a left turn lane with advance green arrow

Turn left at light, on 13th Street to the railway tracks. Cross the tracks and go left into the park and parking area.

We will all depart together at about 10:00 or so.

Directions

We will drive along Marine Drive, through Ambleside and Dundarave and the scenic coastline out to Horseshoe Bay. We will then join Sea to Sky Highway, north, avoiding ferry traffic. Drive up the beautiful coastline up to Klahanie Campground.

Turn left into Klahanie at the traffic light for Shannon Falls

Look at Rick Poissant's barn and collection, and have lunch about noon at Rick's Kafe Klahanie.

Lunch and visit with Rick and his cars.

We can then all go over to Shannon Falls and walk up to the falls, then together or individually, drive back to West Vancouver and home.

Option on return trip is to stop and Porteau Cove, park the cars and walk through the camp ground along the water to an inlet and a lookout. Approx. 45 minute stop. Those who wish to do this can decide on the day. I will have details.

If you plan to join this day drive please contact Simon with the number of people in your car so that I can let Rick know how many people for lunch
